SPONSORSHIP OPPORTUNITIES

15TH OCTOBER 2026
THE GRAND CONNAUGHT ROOMS, LONDON

WWW.ERTAWARDS.CO.UK

WHY SHOULD I SPONSOR

Recognised as the electrical retailing industry's most anticipated events, the ERT Awards brings retailers, manufacturers and suppliers from across the UK together to celebrate excellence and outstanding achievement in the sector.

The Awards are uniquely positioned as a true industry-wide programme. In the retailer categories, independent electrical retailers nominate themselves and submit detailed entries, which are assessed by an expert judging panel. On the manufacturer side, brands can nominate themselves (or be nominated), with winners decided directly by retailers through our dedicated voting platform, ensuring recognition is driven by those on the shop floor as well as by industry specialists.

Such is the strength of this balanced and respected format that sponsorship opportunities are highly sought after, with many of the industry's leading brands already lending their support year after year.

By sponsoring, you align your business with ERT Magazine's mission to recognise, reward and promote excellence across the marketplace, while placing your brand in front of key decision-makers, strengthening relationships and demonstrating your commitment to the future of electrical retail.

Tailored sponsorship packages are available, offering meaningful visibility and engagement before, during and after the event.
